

# 6 panel folding kit

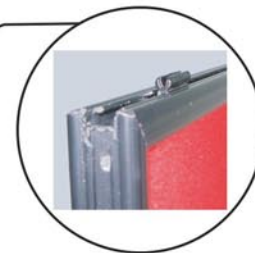

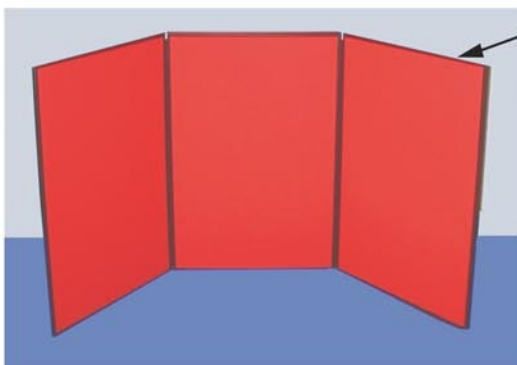

# user instructions

20mm wide (max) hook fastener (continuous strips or squares) is recommended for panel systems

kit includes : 2 sets of 3 hinged panels, header panel and 2 header caps (Carry bag optional extra)

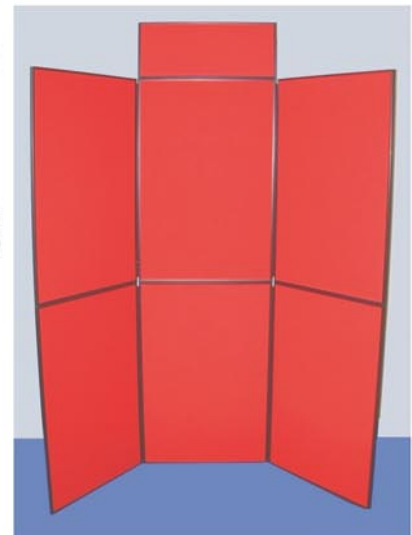

**1**

Panel connecting clips  
(in lower set of panels only)

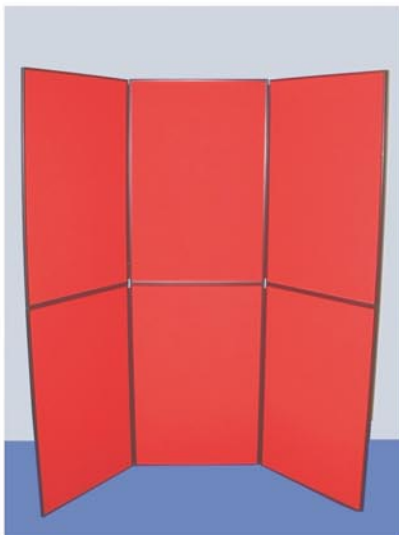

Take the 1st set of 3 panels (with connecting clips)  
and open out until a stable shape is achieved  
(Ensure the connecting clips are at the top of the panels)

**3**

Fit header panel to the top centre hinged panel  
Push downwards to secure the connecting clips

**2**

Lift up the 2nd set of 3 panels  
and place on top of the first set  
Push downwards onto each panel  
to secure the connecting clips

**4**

Finally clip header caps to both  
vertical sides of the header panel
